Docket No. CP2017-105

**USPS MOTION FOR LATE ACCEPTANCE OF
RESPONSE TO COMMISSION ORDER NO. 4670,
PROVIDING DATA COLLECTION PLAN**
(July 18, 2018)

The United States Postal Service hereby moves for late acceptance of its response to Commission Order No. 4670, issued June 25, 2018. In that Order, the Commission directed the Postal Service to submit a data collection plan in support of the financial model for the Amendment to Parcel Select Contract 20, by July 18, 2018. The Postal Service is today filing its data collection report, two business days out of time. The delay was a result of the need for additional review and consultation across multiple functional groups, as well as the absence of key personnel at times during the review process. The Postal Service regrets the delay but submits that no party has been materially prejudiced.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
